GENERAL INSTRUCTIONS

Individuals desiring certification to engage in asbestos work in Missouri must provide all of the information requested in this application, submit the required documentation, and submit the required fee (\$25 for worker, \$75 for inspector, management planner, project designer, air sampling professional, and supervisor) to the department. Please note a fee of twenty-five dollars (\$25.00) must also be included per application for taking the Missouri State Asbestos Examination. Please submit a separate application form and the appropriate fees for each occupation in which you desire to be certified. An individual will be certified by the Director when all fees and all information requested in this form have been submitted and reviewed and when verification of certification from the Director has been received. Failure to submit all required documentation will delay certification.

Certification expires one year from its effective date unless it is renewed annually. (Air Sampling Professional certificates do not expire and do not need to be renewed.) Certification will be based upon the following: 1) completion of this application; 2) submission of a copy of the individual's training course certificate(s) stating successful completion of the required training in accordance with Missouri Air Conservation Law, Chapter 643 RSMo and Missouri state asbestos regulation 10 CSR 10-6.250; 3) proof of scoring at least 70 percent on the final course examination; 4) proof of scoring at least 70% on the Missouri State Asbestos Examination; 5) payment of the certification fee and Missouri State Asbestos Examination Fee; 6) compliance history.

The completed application form(s), training certificate(s), and fees shall be mailed to the following address:

MISSOURI DEPARTMENT OF NATURAL RESOURCES
AIR POLLUTION CONTROL PROGRAM (ASBESTOS)
P.O. Box 176
Jefferson City, Missouri 65102

PART A AUTHENTICATION

PART B TRAINING INFORMATION

Provide the training certificate(s) for the type of certification for which you are making application with this form. Please note that for supervisor, inspector, project designer, management planner and air sampling professional, specific qualifications are required by Chapter 643 RSMo and Missouri asbestos regulation 10 CSR 10-6.250.

TRAINING CERTIFICATE(S) AND SUPPLEMENTAL INFORMATION

ATTACH THE TRAINING CERTIFICATE(S) AND THE SUPPLEMENTAL INFORMATION LISTED UNDER THE DISCIPLINE FOR WHICH YOU ARE MAKING APPLICATION.

WORKER:

- ☐ Initial Worker training certificate from a Missouri Accredited Training Provider.*

SUPERVISOR:

- ☐ Initial Supervisor training certificate from a Missouri Accredited Training Provider.*
☐ Letter from employer verifying at least one year experience in asbestos abatement or general construction.

INSPECTOR:

- ☐ Initial Inspector training certificate from a Missouri Accredited Training Provider.*
☐ Proof of high school diploma or equivalent.**

MANAGEMENT PLANNER:

- ☐ Initial Management Planner training certificate from a Missouri Training Provider.*
☐ Current Missouri inspector certificate.
☐ Proof of High School diploma or equivalent.**

PROJECT DESIGNER:

- ☐ Initial Project Designer training certificate from a Missouri Training Provider.*
☐ Proof of a B.S. in Engineering, or Industrial Hygiene. (Provide college transcripts with address and phone number of college.)
☐ A self-certifying letter of working knowledge of Heating, Ventilation and Air Conditioning (HVAC) systems.

OR

- ☐ Initial Project Designer training certificate from a Missouri Accredited Training Provider.*
☐ Proof of high school diploma or equivalent.**
☐ Letter from employer verifying at least four years HVAC experience.

AIR SAMPLING PROFESSIONAL:

- ☐ Proof of B.S. in Industrial Hygiene and a letter verifying one year field experience (Provide a copy of diploma and certified copy of college transcript.); OR
☐ Proof of an M.S. in Industrial Hygiene (Provide a copy of diploma and certified copy of college transcript.); OR
☐ Proof of certification as an Industrial Hygienist from the American Board of Industrial Hygiene; OR
☐ Proof of three years practical Industrial Hygiene field experience including significant asbestos air monitoring and completion of a 40-hour asbestos course (NIOSH 582 or equivalent) that includes air monitoring instruction. At least 50 percent of the three-year period must have been on projects in which a degree or certified Industrial Hygienist or Missouri-certified Air Sampling Professional was involved.

The individual must provide to the department written reference by the industrial hygienist or the asbestos air sampling professional stating the individual's performance of monitoring was acceptable and that the individual is capable of fulfilling the responsibilities associated with certification as an asbestos air sampling professional. The individual must also provide documentation of experience and a copy of the asbestos course certificate; OR

- ☐ Proof of other qualifications including, but not limited to, an American Board of Industrial Hygienist accepted degree or a health/safety-related degree combined with related experience. A notarized copy of diploma and/or certification is required along with letters to verify experience. (The type of degree considered eligible is subject to approval by the Director of the Missouri Air Pollution Control Program.)

*If initial training certificate is not current then a copy of all refresher certificates, the most recent of which must be from a Missouri Accredited Training Provider, must be submitted. For individuals licensed in other states, they may submit a copy of their out of state license and a current training refresher certificate from a Missouri Accredited Training Provider to meet this requirement.

**Acceptable proof of a high school diploma includes a copy of high school diploma or GED, a copy of college diploma, or copy of high school or college transcripts.

PART C SUPPLEMENTAL INFORMATION

Complete a separate form for each specialty area.
